Financial Policy

Thank you for choosing Allergy & Asthma Center as your healthcare specialist. We are committed to your treatment being successful. In order to achieve goals, we need your assistance and your understanding of our payment policy. Payment for services is due at the time services are rendered unless payment arrangements have been approved in advance by our financial department. We accept cash, checks, money orders, Master Card, Visa, American Express, or Debit Cards.

You must realize, however, that:

1. Your insurance is a contract between you, your employer and the insurance company. We are not a party to that contract.
2. Our fees are generally considered to fall within the acceptable range by most companies, and therefore are covered up to the maximum allowance determined by each carrier. This applies only to companies that pay a percentage (such as a 50% or 80%) of "U.C.R.". "U.C.R." is defined as usually, customary, and reasonable.

This statement does not apply to companies that reimburse based on an arbitrary "schedule" of fees, which bears no relationship to the current standard and cost of care in this area. Not all services are a covered benefit in all contracts. Some insurance companies arbitrarily select certain services they will not cover.

Insurance & Insurance Collection:

Please understand that insurance reimbursement can be a long and difficult process for our office. In fact, insurers will routinely stall, deny, and reduce payments. Please **initial** next to your category of insurance listed below, as this will help us speed up the payment and eliminate any confusion in the future. Thank you.
